Sr. No.	Tender Section	Page no. /Clause No.	Provisions as per Tender	Bidder's Query / Request	Employer's Response
1	Part-II	122/24.1	The reinforcement steel shall be from primary producers and no re-rolled steel shall be supplied and used.	As per Government of India Ministry of Steel D.O No. S-20027/13/2020-Tech Ministry of Steel does not support any classification of the steel producers in terms of "primary producers" or "secondary producers." Routes of steel production have no bearing on quality of the steel as long as they are produced as per the relevant standards. In compliance with circular D.O No. S-20027/13/2020-Tech we would be submitting our price bid considering use of rerolled steel. Circular from Government of India, Ministry of Steel is attached herewith for your reference. As use of scrap steel promotes recycling & also reduces the carbon footprint it should be encouraged. As per our understanding use of rerolled steel is allowed. Please clarify.	No Change Conditions of Bid Document shall prevail
